

Special Awards Guidance Info

Best City Infrastructure Layout Award

I. Best City Infrastructure Layout	20
II. Best Street Layout	20
III. Pollution Free Power Plants	20
IV. Best Water Quality, Filtration and Supply System	20
V. Environmentally Friendly Waste Management	20

Best Engineered Project Award

I. Best engineered Project	25
II. Environmentally Friendly Industry	25
III. Pollution Free Zone	20
IV. Environmentally Friendly Mass Transportation	15
IV. Futuristic Energy Source	15

Best Environmental Friendly Award

I. High Density Dwelling	25
II. Use of Renewable Energy Sources	25
III. Mass Transit Systems	20
IV. Recycling Encouraged	20
V. Telecommuting, computer, electronic jobs	10

Best Manufacturing Zone Award

I. Best Manufacturing Zone Layout	30
II. Best Environmentally Friendly Manufacturing Zone	20
III. Pollution Free Industrial Area	20
IV. Most efficient Transportation System	15
V. Best Infrastructure Layout	15

Best Residential Zone Award

I. Best residential Zone layout	25
II. Neighbourhood Schools and Commercial	25
III. Neighbourhood and Community Parks	20
IV. Convenient Access to Mass Transit	20
V. Hike and Bike Trails	10

Best Space Based Design Award

I. Best Space Based Land Uses	25
II. Best Transportation System Design	25
III. Futuristic Land uses	20
IV. Best Infrastructure layout	20
V. Best Engineering Design Applications	10

Best Transportation System Award

I. Major Thoroughfare Layout	25
II. Bus and Rail System	25
III. Interior Residential Street Layout	20
IV. Various of modes of transportation	20
V. Location of airports and Sea ports	10

Most Creative Use of Materials Award

I. Creative use of materials	25
II. Strength and Beauty of Materials	25
III. Energy efficient materials	20
IV. A unique use of a material	15
V. Environmentally friendly materials	15
